# Backing our High Streets

**Conservatives are taking action to support our high streets and town centres:**

 **Cutting small retailers' bills by a third and taking 600,000 businesses out of Business Rates altogether.** So that our local businesses can support more local jobs.

 **Investing £675 million to help modernise our high streets and town centres.** Helping create thriving community hubs through our Future High Streets Fund.

 **Taking action to support new homes on the high street and reduce empty shops.** So that we transform our high streets into vibrant community hubs where people live, work and shop.

 **Launching our High Street Saturday campaign and backing the Great British High Street Awards.** Helping celebrate our local businesses and encourage people to 'shop local'.
