

VICTORIA BORWICK: THE LOCAL CANDIDATE FOR KENSINGTON

Local residents have re-selected Victoria Borwick as their Parliamentary candidate for the Kensington constituency for the election on Thursday 8th June.

Victoria was elected as the MP for Kensington in 2015, having previously been a local councillor for 12 years and Deputy Mayor for London. She brings a wealth of business and local political experience to this role.

Victoria Borwick said: "It is a great privilege to have been selected to represent the people of Kensington. I grew up here and live here with my husband Jamie and our family. For 20 years I have been a school governor in North Kensington.

My role is to represent all the residents of Kensington. As the

MP I have held weekly meetings in the constituency to help residents. I have also worked closely with local voluntary services such as Full of Life and ADKC to discuss services and employment opportunities for our disabled residents.

Having lived in Kensington all my life I am very aware that Kensington is an area of contrasts. My experience of working with residents' associations and community initiatives gives me that in-depth understanding of all parts of Kensington.

The Prime Minister has declared her vision to make Britain

Supporting Theresa May's Strong Leadership

a country that "works for everyone". I will be on your doorsteps in the coming weeks asking for your support, as

together we can give the Prime Minister the opportunity to fulfil her positive vision for our country's future."
